Property management

Take the stress out of managing properties and tenants with our dedicated Property Management services.

Our dedicated team of professionals understands and listens to the requirements of both investors and tenants. We are committed to building personal relationships to deliver the best possible results. With an extensive portfolio of properties under our management, we know our business. Here's how Prime Estate are committed to meeting your needs.

- ◆ Assign a senior property manager who will be responsible for the management of your property
- ◆ Maximise the return from your investment
- ◆ Source the most reliable and suitable tenants
- ◆ Use a leading tenant payment system for rent collection
- ◆ Ensure rent is paid promptly
- ◆ Manage creditor accounts on your behalf e.g. Council/Water rates and Insurance

At Prime Estate we continue to innovate, enhance and improve our systems and processes to ensure we stay ahead of the pack and provide the best possible stress free property management service.
